

L19: Messy Church Newsletter March 09

Its six months since we opened the doors for the first L19: Messy Church at St Mary's Church Grassendale. It is so good to see so many people of all ages coming to L19: Messy Church, to be creative together, and to celebrate and eat together. Some of you are coming every month and we hope that you feel that you are a part of L19: Messy Church and that you enjoy being involved.

We welcome any feedback and please feel free to get more involved in your L19: Messy Church, maybe helping at the craft tables, or cooking in the kitchen. We will always be glad to hear from you.

Money, money, money

Many thanks to everyone who has been putting money in our Messy Church donation pot/bucket. We are very grateful for your support.

It costs us about £1 per head to provide a meal and about £1.50 per head to create the craft activities.

Please give if you can and don't feel uncomfortable if you can't. Thanks again for your support.

Would you like to get more involved in L19: Messy Church?

We create lots of themed crafts each month and feed over 100 people! It's an opportunity to make friends and be part of a team.

See Jane, Sandra or Christine for a chat about it or contact us at:

messy@stmarys-grassendale.co.uk

Jane, Sandra & Chris are members of the L19: Messy Church planning team. They would like to thank everyone who has prayed about this new expression of church, worked with them in its preparation, and volunteered to commit their time and love for all.
